

Add Viscont White Granite to Your Inventory

Viscont White granite is an amazingly gorgeous granite that is quickly becoming a favorite among homeowners and builders. Quarried in India and imported for you by SlabMarket, Viscont white is a white and gray, fine-grained granite with a consistent speckling of black and white, and perfect for any home improvement project - and it's the perfect addition to your inventory.

In addition to the granite's inherent durability along with the other characteristics (stain, scratch, and heat resistance) that make it a leading countertop material, it works well in exterior applications as well as interior.

Uses

[Viscont White granite](#) is not a niche material, it's suitable for commercial as well as residential projects, kitchen countertops, bathroom vanities and surrounds, backsplashes, tiles, and fireplaces.

Surface Finishes

Viscont White granite can be delivered with any number of finishes, including honed, flamed, and polished, the latter being the most popular by far.

Sealing

Viscont White granite, like most natural stone products, should be sealed at the time of installation and then on an annual basis to maintain its resistance to staining and etching.

Origin
