[Why Choose Granite for the Bathroom?](#)

While [granite countertops](#) steal the show in the kitchen, it is important to not neglect the bathroom during any home remodeling project. Bathroom countertops and other surfaces can effectively utilize granite to create a room that will take your breath away. When planning your bathroom remodel, granite is one of the best natural stones you can use. Whether you incorporate the stone as a countertop, vanity top, backsplash, tub surround or other surface, a granite bathroom is sure to please. This guide covers the best design ideas for granite bathrooms.

What Are the Best Design Ideas for Granite Bathrooms?

The following is an analysis of the best granite bathroom designs. Incorporating any of these designs into your home can help drastically transform your bathroom for the better.

Juparana Persia Granite Bathroom

[Juparana Persia granite](#) is an amazing Brazilian stone that features tones of brown, white and beige. The stone brings light and life to this bathroom countertop and looks terrific paired with wood cabinetry.

Bordeaux Granite Bathroom

This gorgeous bathroom countertop features [Bordeaux granite](#). The black, pink and red tones of this stone look great with the dark cabinets beneath. This stone also looks amazing as a tub surround.

Tan Brown Granite Bathroom

This gorgeous vanity top features the popular [Tan Brown granite](#). The brown, black and red tones add to the overall design of this bathroom.

Green Ocean Granite Bathroom

This [Green Ocean granite](#) bathroom countertop features an ogee edge. It is quite an elegant look paired with the dark cabinetry.

Blue Fire Granite Bathroom

Blue Fire granite looks amazing as a tub surround, as pictured here. [It](#) is also an ideal choice for vanity tops.

Giallo Padova Granite Bathroom

This small bathroom features a lovely Giallo Padova granite vanity top.

Black Thunder Granite Bathroom

This luxurious bathroom features incredible Black Thunder granite countertops. The waterfall edge on [this countertop](#) adds an extra touch of class.

Corsica Grey Granite Bathroom

This bathroom is highlighted by a simple yet stylish Corsica Grey granite countertop. The walls of the room further add to the light grey theme.

Bianco Diamante Granite Bathroom

If you are looking for a neutral colored natural stone to incorporate into your bathroom, Bianco Diamante granite is a fantastic choice. In this bathroom, [the countertop](#) pairs wonderfully with the white cabinetry and walls.

Bianco Antico Granite Bathroom

The focal point of this amazing bathroom is the [Bianco Antico granite](#) countertops. The faucets, cabinet pulls and other fixtures perfectly complement the countertop.

Giallo Napoleone Granite Bathroom

If you are looking for a natural pop of color and style, you cannot go wrong with Giallo Napoleone granite, featured here on this [vanity top](#).

Absolute Black Granite Bathroom

The [Absolute Black granite](#) countertop in this bathroom works in perfect contrast to the white subway tile that adorns the walls.

White Torroncino Granite Bathroom

[White Torroncino granite](#) looks absolutely incredible as a vanity top, as seen in the picture above. It is also a great choice for various other bathroom installations, including shower ledges and bench seats.

Giallo Napole Granite Bathroom

The mixture of brown, white and grey tones in [Giallo Napole granite](#) make for a stunning vanity top. The colors stand out wonderfully against the white walls and white cabinetry.

Giallo Floritio Granite Bathroom

The Giallo Floritio granite countertop brings an excellent touch of natural beauty to this master bathroom.

Florence Gold Granite Bathroom

Nothing says style quite like a Florence Gold granite bathroom vanity top. The brown and beige speckles of the [stone](#) give the room character.

Colonial Cream Granite Bathroom

A [Colonial Cream granite](#) countertop pairs beautifully with the brass sink and faucets in this bathroom. This stone also looks amazing paired with the dark cabinetry below.

White Fiorita Granite Bathroom

This magnificent bathroom features White Fiorita granite countertops. [The stone](#) is a beautiful blend of grey and white tones.

Verniz Tropical Granite Bathroom

This gorgeous Italian granite is an amazing blend of brown, beige and white that complements the white cabinetry in the room. [Verniz Tropical granite](#) will create the feeling of an elegant bathroom.

Why Choose Granite for the Bathroom?

There are many terrific reasons to choose granite for bathrooms. Not only is it a beautiful and durable countertop material, but it will also have those same qualities if used as a backsplash, tub surround or other surface. Granite kitchen countertops are often the first aspect that catches anyone's eye when spending time in the kitchen, but the stone countertop (or other surfaces) will look amazing in the bathroom as well.
