[Best Types of Exotic Granite](#)

[Does Exotic Granite Cost More Than Other Types?](#)

Granite is admired by many homeowners because of its beauty. But while many opt for common types of the natural stone, you can certainly create a unique feel for your space by choosing exotic granite. [Granite countertops](#) alone will attract attention, but with exotic granite countertops, you can have a surface that is truly unforgettable and one-of-a-kind. The ‘exotic’ category features many rare granite colors that have intricate designs. The following are 10 of the best types of exotic granite.

Best Types of Exotic Granite

Golden Fantasy Granite

This [elegant granite slab](#) has a brown background and contains highlights of burgundy and gold. If you are searching for an impressive granite kitchen countertop, this high-quality stone from India can be just what you are looking for.

Golden Persa Granite

The [gold, brown and gray tones](#) of this sophisticated natural stone, along with its complex patterns, will draw attention to any new countertop or backsplash. The stone is quarried in Brazil.

Exotic Gold Granite

[Exotic Gold granite](#) is just as its name implies – exotic. This magnificent granite is quarried in Italy, and features patches and veins of purple, brown, black and gray. It is truly one of the most beautiful stone slabs you can use to complete any kitchen remodel or other home improvement project.

Juparana Colombo Granite

The swirls and veins of [Juparana Colombo granite](#) complement the beautiful colors that can be seen in the stone. Gold, gray, red and black blend together in this exotic granite from India.

Verde Brasileiro Granite

[Verde Brasileiro granite](#) has a green background and deep black veins. This magnificent Brazilian stone is ideal for kitchen countertops, bathroom vanity tops, backsplashes, fireplace surrounds or outdoor surfaces.

Altair Granite

[Altair granite](#) is sure to make a statement wherever it is installed. This exotic natural stone has a black background accompanied by thick veins of orange, gold and red throughout the slab.

Lava Jewel Granite

The reddish-brown background of this [amazing Indian granite](#) is complemented by large gray and burgundy veins.

Blue Pearl GT Granite

[Blue Pearl GT granite](#) is one of the most elegant slabs you can find. This stone is quarried in Norway and has a distinctive metallic blue background.

Blue Bahia Granite
